

Warren Buffett's Two Suggested Courses ©

Objective: Referring to his long-time friend and confidant, Charlie Munger, Warren Buffett has written “In our view, though, investment students need only two well-taught courses – How to Value a Business, and How to Think About Market Prices.” This course is intended to meet this need.

What you will learn:

- The key factors in valuing a publicly traded corporation
- Where to obtain the information to value a stock
- How to evaluate the capability and integrity of management
- How to put a company's stock price in perspective – is it overpriced?
- Why price alone should not decide whether a stock is purchased or not
- Mistakes to avoid
